

Jon Bon Jovi, I'd Die For You

If you could see inside my heart
Then you'd understand
I'd never mean to hurt you
Baby Im not that kind of man
I might not say Im sorry
Yeah, I might talk rough sometimes
And I might forget the little things
Or keep you hanging on the line
In a world that don't know Romeo and Juliet
Boy meets girl and promises we can't forget
We are cast from Edens gate with no regrets
Into the fire we cry

Chorus:

I'd die for you
I'd cry for you
I'd do anything
I'd lie for you
You know it's true
Baby Id die for you
I'd die for you
I'd cry for you
If it came right down to me and you
You know it's true, baby Id die for you
I might not be a saviour
And Ill never be a king
I might not send you roses
Or buy you diamond rings
But if I could see inside you
Maybe Id know just who we are
'Cause our love is like a hunger
Without it we would starve
In a world....
Chorus
