

# Jon Bon Jovi, Raise Your Hands

You you got a nasty reputation  
Were in a sticky situation its down to me and you  
So tell me is it true they say there aint nobody better  
Well now that were together  
Show me what you can do  
Youre under the gun  
Out on the run  
Gonna set the night on fire  
Youre out on the run  
Under the gun  
And playn to win  
Raise your hands  
When you want to let it go  
Raise your hands  
When you want to let a feeling show  
Raise your hands  
From New York to Chicago  
Raise your hands  
From New Jersey to Tokyo  
Raise your hands  
I Ive been out on the front line  
Where you go down if you waste time  
Theyll walk all over you  
But I I aint here looking for surrender  
Ill raise the flag if youll defend her  
Its up to you  
Youre under the gun  
Out on the run  
Gonna set the night on fire  
Youre out on the run  
Under the gun  
And playn to win  
Raise your hands  
When you want to let it go  
Raise your hands  
When you want to let a feeling show  
Raise your hands  
From New York to Chicago  
Raise your hands  
From New Jersey to Tokyo  
Raise your hands
