

# Jon Bon Jovi, Tokyo Road

In a time, in a place  
In a world, they forgot  
Lives the heart of me  
A part that just won't die  
Just a boy, not a man  
Sent to war, in a land  
They said we'd fight for their freedom  
But I felt like a hired hand  
Sometimes I have to find my way  
Sometimes I have to get away  
Take me back to Tokyo Road  
Take me back to Tokyo Road  
Working hard, for a pass  
Got the night, make it last  
It was a time to remember  
All my life I would never forget  
In a bar, breathing smoke  
Snorting whiskey, drinking coke  
It was a time when no one would die  
And there wasn't a care  
Sometimes I wish it was that way  
Cause sometimes I have to get away  
Take me back to Tokyo Road  
Take me back to Tokyo Road  
Take me back to Tokyo Road  
Take me back to Tokyo Road  
This guy turns me around and he's pointing up the stairs  
I found myself in her doorway but there wasn't anybody there  
She walked in the room with nothing on but a red light  
And with a smile she got so close to me.  
She whispered something 'bout midnight  
You know I didn't understand a word she said  
But it felt so good  
She knew that I didn't have any money  
But baby I knew she would...  
Take me back to Tokyo Road
