

Jonas Brothers, 31 Times

I got your message from the phone
I knock on the door so loud,
That you, could hear so loud,
As you, stop now
Think harder then read the start,
That made this change so fast
Finish what is done
Get friends so that
I'm really nervous so I can't,
One problem is unsolve
I need to listen harder,
And make my choice to live,
All of my own life
I need more good things
You just don't understand what it is
Just only 31 times 31 31 31
Oh, 31 times dont understand how,
This is important
31 times 31 31 31
31 times
I need more good things
You just don't understand what it is
Make it loud like 31 times 31 31 31
Oh, 31 times dont understand how,
This is inportant
31 times 31 31 31
31 times
I never give out anything
That is secret
You pleased me to be good
And have some terrible times
(only one)(only one)
(so fast)(so fast)
One problem is unsolve
I need to listen harder,
And make my choice to live,
All of my own life
I need more good things
You just don't understand what it is
Just only 31 times 31 31 31
Oh, 31 times dont understand how,
This is inportant
31 times 31 31 31
31 times
I need more good things
You just don't understand what it is
Make it loud like 31 times 31 31 31
Oh, 31 times dont understand how,
This is inportant
31 times 31 31 31
31 times
I believe! yeah!
