(spoken)

Listen, I'm sure I'm not the only one who has had my heart broken. So, to all the others who have c

I called and I texted. I got us connected.
I'm so sorry I couldn't be there.. for you.
It wasn't my choice to be gone.. from you.
I know that I told you I'd be there.
I was a promise.. I still care!
I'm sorry for breaking the promises I wasn't around to keep.
I wanted to tell you, "I love you,"
But the connection was weak!

I'm Sorry! It didn't turn out the way that I wished.
I'm sorry! At least we had that perfect kiss.
I'm still in love with you.
I'd do anything for you!
And, BABY, I'm sorry...

I know that.. I broke a promise that meant something to you.
And if you were to say, I need you, I would have said it too..

I'm Sorry! It didn't turn out the way that I wished.
I'm sorry! At least we had that perfect kiss.
I'm still in love with you.
I'd do anything for you!
And, BABY, I'm sorry...

I'm Sorry! It didn't turn out the way that I wished.
I'm sorry! At least we had that perfect kiss.
I'm still in love with you.
I'd do anything for you!
And, BABY, I'm sorry...

Listen girl, you mean the world... to me!
And if I would have been there for you.. maybe you would see!
That.. I'm sorry..

I'm Sorry! It didn't turn out the way that I wished.
I'm sorry! At least we had that perfect kiss.
I'm still in love with you.
I'd do anything for you!
And, BABY, I'm sorry...

I'm Sorry! It didn't turn out the way that I wished.
I'm sorry! At least we had that perfect kiss.
I'm still in love with you.
I'd do anything for you!
And, BABY, I'm sorry...
