

# Jonas Brothers, Mandy

(Verse 1)

Mandy used to be that girl  
The one that never said a word  
But she always sang  
S Club 7 and all those boy bands  
Now it's been a few years  
It looks like things have changed  
Now she's mine and I want to say

(Chorus)

Mandy always laughs when I act stupid  
I am unaware that I'm a nuisance  
With her it's never wasted time  
Mandy always knows exactly what I'm  
Thinking and she's always on my mind  
And now, I'm never gonna let her go  
Cause Mandy always knows

(Verse 2)

Mandy always tells the truth  
Even when it's hard to do  
And she always understands  
Even when it don't make sense  
Even though she is a blonde  
I'm the one that feels so dumb

(Repeat Chorus)

(Bridge)

When I have a problem  
I'm sure that Mandy knows  
When I'm feeling lonely  
I'm sure that Mandy knows  
When everything's crazy  
She's always there for me  
And I'm sure that she knows  
I'm never ever gonna let her go

(repeat Chorus)
