Jonas Brothers, Shelf

She's such a flirt And I am the lonely heart Give it a chance For our love to start But you'll never see If you don't give me a shot To show you what I got

But it's too late To pretend You know me better Than I know myself Don't take my heart And put it on a shelf Always someone else The next guy who will Make your cold heart melt I'm gonna give my love To someone else

I held your hand It felt like a movie I made some plans But you were Already moving on Now I'm stuck Under a rainy cloud But you Don't seem to care But it's alright Cuz

It's too late To pretend You know me better Than I know myself Don't take my heart And put it on a shelf Always someone else The next guy who will Make your cold heart melt I'm gonna give my love To someone else

I'm tired Of wasting all my time My heart Is hanging on the line Is it me, girl Or someone else? Please take me off the shelf

Too late To pretend You know me better Than I know myself Don't take my heart And put it on a shelf

La, la, la, la, la La, la, la, la, la

(Everybody!)

Always someone else The next guy Who will make Your cold heart melt I'm gonna give my love To someone else Yeah
