Jonas Brothers, Tonight

Well here we are again Throwing punch-lines, no one wins As the morning sun begins to rise We're fading fast We won't work this out

No we're not gonna work this out tonight No we're not gonna make this right So I'll give a kiss and say goodbye (Give a kiss and say goodbye) Cuz we're not gonna work this out tonight

Every single word's been said (whoa oh oh) Broke each others hearts again (whoa oh oohh) As the starlit sky begins to shine We're breaking down She screams out

No we're not gonna work this out tonight No we're not gonna make this right So I'll give a kiss and say goodbye (Give a kiss and say goodbye) Cuz we're not gonna work this out tonight

We don't have to fight tonight We just gotta try tonight We're gonna work this out We don't have to fight tonight We just gotta try Tonight

No we're not gonna work this out tonight No we're not gonna make this right So I'll give a kiss and say goodbye (Give a kiss and say goodbye) Cuz we're not going to work this out tonight

Well there's no need to fight We're just wasting time (Tonight) If you give it a try well maybe you'll find (We might work this out) Well we know we're in love So let's keep it alive (keep it alive, keep it alive) Tonight I'm starting to see the morning light We finally worked this out
