

Jonas Brothers, Underdog

(1st Verse)

She's an underdog
Lives next door to me
She's always heard you won't amount to anything
And it kills me to watch the agony beyond her eyes
Tragic the way people pass her by
But now I realize

(Chorus)

That everyone sees her
But nobody knows her
She screams in her pillow
For a better tomorrow
She hates it
But she takes it
Watch out for that girl
One day she may change the world

(2nd Verse)

She's original
Never trying to fit in
She's got a way to always go
Against the grain
Oh yea!
Someday they'll see how beautiful she really is
I know that last will be the first
The tables gonna turn cause...

(Chorus)

That everyone sees her
But nobody knows her
She screams in her pillow
For a better tomorrow
She hates it
But she fakes it
Watch out for that girl
One day she may change the world

(Bridge)

Maybe she'll be in a movie
Maybe she'll be in a song
Better pay her some attention
Before she's gone

(Additional Lyrics)

She's an underdog
Yea
She means the world to me
Yea

(Chorus)

Everyone sees her
But nobody knows her
She screams in her pillow
For a better tomorrow
She hates it
But she makes it
Watch out for that girl
One day she may change the world

(Chorus)

Everyone sees her
But nobody knows her
She screams in her pillow

For a better tomorrow
She hates it
But she makes it
Watch out for that girl
One day she may change the world
