

Jonas Brothers, We Rock

Cause we rock
We rock, we rock on
We rock, we rock on

Verse 1

Come as you are
You're a superstar
The world's in your pocket and you know it
You can feel that beat
Running through your feet
Hearts racing fast, you're rockin' rollin'
All that you need is the music to take you to some other place where You know you belong

Chorus

Raise your hands up in the air and scream
We're finding our voice followin' our dreams
Cause We rock,
We rock, we rock, we rock on
nobody in the world's gonna bring us down
the louder we go and the better we sound
cause we rock
We rock we rock we rock on
(We rock, we rock, we rock on. We rock, we rock, we rock on.)

Verse 2

We're finally letting go, losing all control.
We wouldn't stop ourselves 'cus we love it.
We're not afraid to be everything you see.
No more hiding, now we're gonna own it.
All that you need is the music to take you to some other place where you know you belong.

Chorus

Bridge

We got the music in our souls
But its the thing we want the most
Its the sound we reach for
Down here it turns our world around
We rock (Camp rock)
We rock, we rock on
Everyday and every night
We rock (Camp rock)
We rock, we rock on
Don't we wanna do it now

Chorus

Raise your hands up in the air and scream
We're finding our voice followin our dreams
Cause we rock
We rock, we rock, we rock on
Nobody in the world's going to bring us down
The louder we go and the better we sound
Cus we rock
We rock we rock we rock on

Chorus

Raise your hands up in the air and scream
We're finding our voice followin our dreams
We rock (we rock)
We rock we rock we rock on
Nobody in the world's going to bring us down
The louder we go and the better we sound (we sound)
We rock
We rock we rock we rock on
We rock, we rock, we rock on.
We rock, we rock.
CAMP ROCK!
