

Jonny Was, So What Does It All Mean?

The day I first met you
Well I thought it quite funny
Your eyes were so damn blue
Your smile was a drug, your style was money
So what does it all mean?
To find someone who makes you cry inside?
Shes got the players on her team
How could I smile when all she did was say HI?
That one day when he is gone
Ill get my chance to ask you out
And then I'll show my colorful life
I'd like to be like you
With a rep like yours my little honey
Im not sure what I can do
Just know that I aint no f****n dummy
So what does it all mean?
To try so hard to get the right word out
Well I wish I can come clean
I'll give it my all but I have my doubts
That one day when he is gone
Ill get my chance to ask you out
And then I'll show my colorful life
