The day I first met you Well I thought it quite funny Your eyes were so damn blue Your smile was a drug, your style was money So what does it all mean? To find someone who makes you cry inside? Shes got the players on her team How could I smile when all she did was say HI? That one day when he is gone Ill get my chance to ask you out And then I'll show my colorful life I'd like to be like you With a rep like yours my little honey Im not sure what I can do Just know that I aint no f\*\*\*\*n dummy So what does it all mean? To try so hard to get the right word out Well I wish I can come clean I'll give it my all but I have my doubts That one day when he is gone Ill get my chance to ask you out And then I'll show my colorful life
