

# Jordan Pruitt, Boyfriend

I see you with him  
And I see you laughing  
And I see you flipping you hair  
Like you think you're hypnotizing my man  
But it's not gonna go as you plan  
Da da da da da da  
Da da da da da da  
You think you're clever  
But I got something better  
My guy he texts me letters  
Spelling TGIC  
And only I know  
Only I know  
What that means  
(This girl is crazy)  
No you're not  
No you're not  
No you're not  
No you're not  
No you're not

## CHORUS

You're not gonna steal my Boyfriend  
You're not gonna steal him, not now  
You're not gonna steal my Boyfriend  
No way, No where  
No how  
No you're not gonna steal my boyfriend  
No matter how you work it  
You're not gonna steal my boyfriend  
And that's the final verdict  
So don't think you'd ever have a shot  
Cause if you had a shot  
You'd miss completely

I see you flirting  
But his head you won't be turning  
Instead you'll just be learning  
How a real relationship flows  
And there's no way with you he's gonna go  
Da da da da da da  
Da da da da da da  
So put your hips back in check  
And try never to forget  
My guy you're not gonna get  
So what you trying to prove?  
He's never gonna leave here with you, no no  
No you're not  
No you're not  
No you're not  
No you're not  
No you're not

(Chorus)

Oh, oh, yeah, oh no  
Oh, oh no, oh, oh, oh  
Oh, no no no  
Oh, oh, oh no  
Oh, oh no  
Do you really think you had a chance with him  
Is your perception of us that ignorant (ignorant)  
Do you really think that I would let you in?  
How does it feel to lose before you begin?

No you're not  
(no you're not, No you're not)  
(no you're not gonna ever steal me)  
(no you're not)  
(no you ain't ever gonna steal me girl)

(Chorus)
