

Josh Kelley, Angels

Sometimes I never know just what to do
Just what to do
Thinkin' about the choices that I'm put through
That I'm put through
So scared for what the future brings for me
It brings for me
It's time to pack my bags and get it right
Let's get it right
Going out to Angeles
Keep me restless for the days
Going out to Angeles
Bringin' me to find my way
Going out to Angeles
Keep me restless for the days
Going out to Angeles
Bringin' me to find my way
I hope I like the way you dance with me
You dance with me
For just one second I hope that you can see
That you can see
That you can trust my fate and keep me straight
You can keep me straight
For I've already packed my bags
I have already packed my bags
Going out to Angeles
Keep me restless for the days
Going out to Angeles
Bringin' me to find my way
Going out to Angeles
Keep me restless for the days
Going out to Angeles
Bringin' me to find my way
I'm not asking you for a diamond or pearls
Just for the chance to find my place in this world
Going out to Angeles
Keep me restless for the days
Going out to Angeles
Bringin' me to find my way
Going out to Angeles
Keep me restless for the days
Going out to Angeles
Bringin' me to find my way
