

# Josh Kelley, Didn't Hear That From Me

Everyone waits for a knock on the door  
Waiting for someone, who knows what it's for  
Cause we spend a lot of money  
Feeling bad and looking fine  
I'll try to sum it up in a few simple lines

Oh darling, life is what you pray for  
But love is what you stay for  
And I know it's pretty damn funny how simple it can be  
But you didn't hear that from me

Everyone says that it's covered in pain  
Waiting for someone who will take on the blame  
Oh it takes a lot of courage  
To know you're not alone  
The sooner you stand up, the sooner you'll know

Oh baby, life is what you pray for  
But love is what you stay for  
And I know it's pretty damn funny how simple it can be  
But you didn't hear that from me

When I hear you crying at night  
Like the world is on your shoulders  
I'll hold you tight  
Cause I know a secret or two  
And the least I can do is share it with you

Share it with you  
Share it baby

Oh, life is what you pray for  
Love is what you stay for  
And I know it's pretty damn funny how simple it can be  
But you didn't hear that from me

Life is what you pray for  
You didn't hear that from me

Love is what you stay for  
You didn't hear that from me

Life is what you pray for  
You didn't hear that from me
