Journey, Hustler

(Dunbar)

I get beside women all men desire, Crazy with passion I'll never be tired, Money's no good to me 'cause lovin's my game, I don't need no trouble and I'll show you no pain. I move like a lover, so silent and swift, Screamin' women love me, just can't resist I can't be bought, your payoff's no good, So lock up your women, like you know you should.
