

# Journey, Remember Me

Remember me... remember me...  
Find myself all alone in darkness without you  
Now I can't turn away from what I must do  
You know I'd give my life for you  
More than words can say  
I've shown you how to love someone  
I know you'll find a way  
Say goodbye, close your eyes - remember me  
Walk away, the song remains - remember me  
I'll live forth somewhere in your heart,  
You must believe - remember me  
No way I can change my mind  
I don't have the answers  
If you could see through my eyes  
You'd let go of your fears  
And though I have to leave you now  
We are part of each other  
I'll miss your touch, you'll call my name  
I am with you forever  
Say goodbye, close your eyes - remember me  
Walk away, the song remains - remember me  
Winds of change we can't explain - remember me  
I'll live forth somewhere in your heart  
You must believe - remember me  
You know I'd give my life for you  
More than words can say  
I've shown you how to love someone  
I know you'll find the way  
Say goodbye, close your eyes - remember me  
Walk away, the song remains - remember me  
Be there to watch over you - remember me  
Feel I'm gone, my heart lives on - remember me  
Don't you think of this as the end  
I'll come in through your dreams - remember me  
Close your eyes - remember me  
Say goodbye - remember me  
Say you will - say you will - say you will...  
Close your eyes - remember me  
Say you will - say you will - say you will...  
Say goodbye - remember me...
