Jesse rides through the night

Under the Main Street light

Ridin' slow

This ol' town, ain't the same

Now nobody knows his name

Times have changed, still he rides.

Traffic lights, keepin' time

Leading the wild and restless

through the night

Still they ride, on wheels of fire

They rule the night

Still they ride, the strong will survive

Chasing thunder

Spinning 'round, in a spell

It's hard to leave this carrousel

'Round and 'round

And 'round and 'round

(chorus)
