

# Journey, She Makes Me (Feel Alright)

Hear what I'm saying, you're losing control  
Can't take the sun from her eyes  
She's built for comfort, she ain't no fool  
She said, take a look  
It's easy tonight  
It's gonna be alright  
She made me feel alright  
Baby baby baby baby, feel alright, wooh  
Yeah, it's gonna be alright  
A flaming sky sure makes her look good  
You'll put your life on the line  
Are you gonna stay, or do you wanna leave  
Well hey, come with me  
We'll have a good time  
It's gonna be alright  
Yeah, she made me feel alright  
Baby baby baby baby, feel alright, yeah  
Yeah, it's gonna be alright  
I can't wait  
I gotta have her now  
I can't wait  
Well my love is growing stronger yeah

No, no, no, no, no, no, no, no, no, no, no, no, no, no, no, no, no, no, wooh
