

# Journey, Somethin' To Hide

(Perry/Schon)

Please come talk to me  
Tell me what's on your mind  
You say there's nothin' wrong  
I know

It's been a long long time  
Since I last saw your face  
Traces in my mind, I know

You've got somethin' to hide  
That you're not telling me  
You got somethin' to hide  
And I know  
Well there's something about you and I know  
That you're not telling me
