

# Joy Electric, The Berry Patch

When we were so young and full of life The years have all but  
disappeared but maybe we'll come back to everything we loved  
Our hearts remained untouched in the

CHORUS  
Berry patch  
you come true in  
my dreams

I remember when the seasons came and left And apples fell from trees  
colors kissed the leaves And snow brough winter's  
birth But I always believed in the
