

# Juan Luis Guerra y 4.40, Have You Seen Her

One month ago today I was happy as a lark  
But now I go for walks to the movies - maybe to the park  
I have a seat on the same old bench  
To watch the children play (huh)  
You know, tomorrow is their future  
But to me, just another day

They all gather 'round me, they seem to know my name  
We laugh, tell a few jokes, but it still doesn't ease my pain  
I know I can't hide from a memory, 'though day after day I've tried  
I keep sayin' she'll be back, but today again I've lied

Oh, I see her face everywhere I go  
On the street, and even at the picture show  
Have you seen her? Tell me, have you seen her?

Oh, I hear her voice as the cold winds blow  
In the sweet music on my radio  
Have you seen her? Tell me, have you seen her?

Why, oh, why  
Did she have to leave and go away

Oh-oh-oh, I've been use to havin' someone to lean on  
And I'm lost, baby, I'm lost (oh)

Have you seen her? Tell me, have you seen her?  
Have you seen her? Tell me, have you seen her?

Oh, she left her kiss upon my lips  
But left that break within my heart  
Have you seen her? Tell me, have you seen her?

Oh, I see her hand reaching out to me  
Only she can set me free  
Have you seen her? Tell me, have you seen her?

Why, oh, why  
Did she have to leave and go away

Oh-oh-oh, I've been use to havin' someone to lean on  
And I'm lost, baby, I'm lost (oh)

Have you seen her? Tell me, have you seen her?

As another day comes to an end  
I'm lookin' for a letter or somethin'  
Anything that she would send  
With all the people I know I'm still a lonely man  
You know, it's funny  
I thought I had her in the palm of my hand

Have you seen her  
Tell me, have you seen her (tell me, have you seen her?)
