

# Jubël, I & I

I'm gonna have a fucking real good time  
Lose my mind  
Cause I'm feelin fine  
I don't need nobody else around  
Me, myself just I and I  
I'm gonna make it on my own tonight  
Tired of  
your stupid lies  
I don't need nobody else alrijjt

Listen up  
Step aside quick and get off my face  
I'ma ride solo to find my space  
I don't need feels to get in my way  
I'ma book a flight to saint tropez  
I don't speak french, parle pa Francais?  
time to get lose with myself and I

I just found myslef in the Vip  
Everybody dance on teh balcony  
Champagne showers and tropic heat  
Speeding my boat on teh ocean waves  
Finally know how to navigate  
A sunset dream to a sweet escape

Thinking  
Of all the night i;ve been out drinking  
And how my brain slowly stars sinking  
But i don't care  
I am gonna have a fucking
