

Judas Priest, Future of mankind

The final quatrain sealed
This one reveals my fate
And so my friends farewell
I can no longer wait
My prophecies remain
They live when I am gone
The wisdom of the wise
Eternally endure
My legacy survives
So you can rest assured
The secret treasures here
Make of them what you will
I see you
I feel you
I hear you
As my life evolves
These visions of the world
Created in my mind
I made them all begin
The future of mankind
Reveals what must be done
To manifest through time
I'll cross the Rubicon
Into infinity
My quest has now been won
I've found my destiny
The darkness brings me home
Rewarding me with peace
I see you
I feel you
I hear you
As my life evolves
These visions of the world
Created in my mind
I made them all begin
The future of mankind
Reveals what must be done
To manifest through time
Now everything shall pass
We all know that it must
For nothing ever lasts
We all return to dust
I beg you not to mourn
As I will never die
I see you
I feel you
I hear you
As my life evolves
These visions of the world
Created in my mind
I made them all begin
The future of mankind
Reveals what must be done
To manifest through time
Je suis au bout de ma vie
Ma tache est finie
Je passe de ce monde a un autre
Mes premonitions survivront
Prenez garde a mes paroles
Par ce qu'elles adviendront
Le patrimoine que j'ai laisse
L'avenir de l'humanite
