

Jude Harrison, Anyone but you

Sick of the line that's fading me
I never know what to believe
In a world that's crushing me
You're the only one I see
I don't change my mind for anybody
I won't waste my time on just anybody
I won't share my life
With anyone but you
It's such a long way
With anyone but you
I couldn't follow
With anyone but you
Never anyone but you
They put my poster on the wall
They watch and wait for me to fall
They think they made me who I am
Oh they don't know me at all
I don't change my mind for anybody
I won't waste my time on just anybody
I won't share my life
With anyone but you
It's such a long way
With anyone but you
I couldn't follow
With anyone but you
Never anyone but you
Never anyone
With anyone but you
It's such a long way
With anyone but you
I couldn't follow
With anyone but you
Never anyone but you
They build you up so high
So you can hardly see the stars beneath your feet
I'm falling through the cloud
Then it'll be the next to catch me
Ah, ah, ah
With anyone but you
It's such a long way
With anyone but you
I couldn't follow
With anyone but you
Never anyone but
Never anyone but
With anyone but you
It's such a long way
With anyone but you
And I couldn't follow
With anyone but you
Never anyone but you
