

Juice WRLD, Tell Me U Luv Me (ft. Trippie Redd)

Tell me you love me
Tell me everything gon' be okay
Tell me you love me
Tell me you love me
And you gon' stay
Tell me you love me
Tell me you love me
Won't go nowhere
Tell me you love me
Tell me you love me

Bitch, i am a drugie so can you hide my drugs from me?
When i get lonely, Can you be my company?
Drugs to the brain
Swervin' inside of a benz truck
I cannot stay in my lane
Yes, i got you in my brain

You can't hide
You can't run
We're forever in love
If you there's be torment
Torment /3x

Don't run from me
You can't have i tany other way
It's mo or no one

If you leave
I will take your life away
Like you were no one
So tell me you love me
tell me you love me

Tell me you love me
Tell me everything gon' be okay
Tell me you love me
Tell me you love me
And you gon' stay
Tell me you love me
Tell me you love me
Won't go nowhere
Tell me you love me
Tell me you love me
