

Juice WRLD, Wishing Well

I can't breathe

I can't breathe

999

Waiting for the exhale

I toss my pain with my wishes in a wishing well

I can't breathe

Waiting for the exhale

I toss my pain with my wishes in a wishing well

Still no luck

But oh well

I still try even though i know i am gon' fail

Stress on my shoulders like a nvil

Perky go me itching like anyhill

Drugs kill me slftly, Lauryn Hill

Sometimes i don't know how to feel
