

# Juke Kartel, If Only

Hey I can hear you in stereo Through the traffic Your voice is the only sound I know Do you notice  
All these fears will fade While you play the game  
If only wed live for the moment If only I learnt how to change Getting closer to showing emotion Yo  
Youre alone

Cos you dont let anyone in Youre good at finishing But do you know where to begin Can you focus  
Pre chorus + chorus  
Drag me up, you pull me round My face is numb from looking down Im here to say that youre unde  
Chorus
