

# Juke Kartel, Robbie's Song

So I heard the news today Nineteen years have walked away I had not seen you for days And I lost  
You'll be alright now x3  
Everyday I sleep for night Close my eyes and see your smile Your face assures, so calm, so strong  
You'll be alright, you'll be alright now I'll see you tonight With angels above I'll see you tonight you'll be

I felt so cold The day that I was told that you were gone And it's the cruelist world But I'll be seeing you  
Where are you tonight now Will you be alright now Remember to fight now I'll see you tonight  
Pre chorus

I felt so cold The day that I was told that you were gone And the pain still grows I can let you go I know
