

Julia Pietrucha, Heavently (Folk it! Tour)

If heaven calls me i am on my way
Thou can't tell it's a wrong way to live

Don't forget where you came from
So hide your secrets behind the closed doors
I hope yu know that

Whom you ask is whom you'll get
So make good choces and
Hope for the best

What you know makes you who you are
So keep the sweer sound of God in your heart
Play it loud

And we hope and we hope for the song
To play along
And we hope and we hope for the hope
And a song to play along
