

# Jump 5, Angel In My Heart

I heard a whisper that touched deep inside my soul  
Like some familiar melody  
A hidden chapter from a story left untold  
I gotta feeling, I could believe in

## CHORUS

There is an angel in my heart  
Feels like I'm guided by a candle in the dark  
It's taken all this time  
To finally find out what I could never see  
You were there for me  
Now there is no doubt that there will always be  
An angel in my heart

You were the friend, you were the one I could confide in  
You gave me strength that I could never find  
Deep emotions that I've always been denying  
I believe in, it's so close now, it's you that  
I'm feeling

## CHORUS

Finally found what I've been searching for  
(All my life)  
It was right before my eyes  
Oh, you are my angel  
I know you'll always be there  
You are my one and only angel

To finally find what I could never see  
(You were there for me)  
Now there is no doubt that there will always be  
An angel in my heart
