

# Jump5, Angel In My Heart

i heard a whisper that touched deep inside my soul  
like some familiar melody  
a hidden chapter from a story left untold  
i got a feelin'(i got a feelin') i could believe in

(chorus)

there is an angel in my heart  
feels like i'm guided by a candle in the dark  
it's taken all this time to finally find out  
what i could never see, you were there for me  
now there is no doubt that there will always be  
an angel in my heart

you were the friend, you were the one i could confide in  
you gave me strength that i could never find  
deep emotions that i've always been denying  
i believe in(i believe in) it's so close now  
it's you that i'm feelin', yeah

(chorus)

i finally found what i've been searching for(all my life)  
it was right before my eyes, ohhh

you were my angel, i'll always know you'll be there  
you are my one and only angel  
to finally find out what i could never see  
you were there for me  
now there is no doubt that there will always be  
an angel in my heart

(chorus)
