

Junior Jack, My Feeling

Memory got the, yeah

When I think about you
My feelings can't explain
Why after all this time
My feelings can't explain

When I think about you
My feelings can't explain
Why after all this time
My feelings can't explain

When I think about you
My feelings can't explain
Why after all this time
My feelings can't explain

When I think about you
My feelings can't explain
Why after all this time
My feelings can't explain

When I think about you
My feelings can't explain
Why after all this time
My feelings can't explain

My feeling, my feelings can't explain
My feeling, my feelings can't explain
Feeling, feeling, my feeling
Feeling, my feeling
Feeling, my feeling
Feeling

Memory got the, yeah

When I think about you
My feelings can't explain
Why after all this time
My feelings can't explain

When I think about you
My feelings can't explain
Why after all this time
My feelings can't explain

My feeling, my feelings can't explain
My feeling, my feelings can't explain
My feeling
My feeling
