Jurassic 5, Long Road To Glory

[All] J-U-R-A-S-S-I-C-F-I-V-E

[Chali 2-na]

He who is without sin

Cast the first stone

Blast the verse

No matter the class

I'm vers'tile

Kickin' it for you hipocritic berzerk ohms

I'm hopin' at worst

Hopin' the words that touch home

And clutch domes

Ya' think

Electrical sockets and wet feet

How you infinitely get sleep

The minute we get deep

Ladies and 'gents peep

One hundred percent heat

Up undersea mistreats

Now I'll leave you mince meat

Yes I'm from UNITY

My last name sits in the middle of opportunity (Huh)

With two-laid plans and new-made fans

My crew raid lands and punch like the Kool-Aid Man

[Chorus:]

[AII]

It was a long road to glory

[AII]

Battle for territory

Just to be called the masters of the ceremony

Marathon

Decathalon

Word-play

Mega-bomb

Metabolism

With the rhythm

Keep it goin' on

[2X]

[Soup]

The epitomy

Five-hundred thousand so convincingly

Street ministry

J-5th-a-tune infantry

Finna be

About to be

The best kept commodity

Twelve incher LP

We're representin' properly

Now possibly the knock could be

That old school philosophy

That if it doesn't rock a beat

It's not considered property

Remember me

Remember us

Ice Cold

Cold Crush

1920 Gold Rush

Rollin' up

Hold up!

Now aint no need

For you to be surprised

When we impliment and improvise With each and every verse that I Get busy with Lacing it with murder talk Turn a 'sault Tom-A-Hawk Razor sharp Tribal walk

[All]
Fresh gear
We're makin' our beds
And we're doin' lots of things
That we never did
We went to Paris in the spring-time
Bahamas in the fall
We thank Alla
We're doin' it all

[Chorus]

[Marc-7even] Pick a paragraph and phrase it Mentally you save it Kick it to the world and Suddenly they crave it Thats the way it is In this verbal warfare Workin' hard for the love But there aint no wars here Years been puttin' On a play with your foot in Cause you'll be comin' back Like the brother Dwight Gooden Seven's back again Slappin' men and askin' them If they really wanna fuck wit' the style we tappin' in

[Akil] Hey yo, I just couldn't wait To grab a piece of my own cake So I can elevate And hold my own weight My mind state be the ghetto Street corner heavy metal Black like the pot and tea kettle My street credibility Minus negativity Multiplied energy What attends a few Ability sililoque Of a real MC Tastin' the grammar J5 slamma jamma
