

# Justin Bieber, All That Matters

Uh-oh, just as sure as the stars in the sky  
I need you to shine in the light  
Not just for the meanwhile, for a long long time, better believe it

Uh-oh, whenever you're not in my presence  
It feels like I'm missing my blessings, yeah  
So I sleep through the daylight, stay awake all night  
Till you back again, yeah, yeah

You think I'm biased  
Too much I never get over  
You hit it right on the head  
Only been missing my lover

Got a whole lot of texts in my phone and I don't reply  
But the next day bothers you, I

You're all that matters to me  
Yeah yeah, ain't worry about nobody else  
If it ain't you, I ain't myself  
You make me complete  
You're all that matters to me

Yeah, yeah, what's a king bed without a queen  
There ain't no ?I? in team  
You make me complete  
You're all that matters to me

Take the keys out the car it won't drive  
That's how I feel when you're not by my side  
When I wake up in the morning up under you, and only you

Uh-oh, I'm grateful for your existence  
Faithful no matter the distance  
You're the only girl I see  
From the bottom of my heart please believe

You're all that matters to me  
Yeah yeah, ain't worry about nobody else  
If it ain't you, I ain't myself  
You make me complete  
You're all that matters to me

Yeah, yeah, what's a king bed without a queen  
There ain't no ?I? in team  
You make me complete  
You're all that matters to me

Yeah, yeah, yeah, yeah  
You're all that matters to me  
Yeah, yeah, yeah, yeah  
You're all that matters to me
