## Justin Bieber, All That Matters

Uh-oh, just as sure as the stars in the sky I need you to shine in the light Not just for the meanwhile, for a long long time, better believe it

Uh-oh, whenever you?re not in my presence It feels like I?m missing my blessings, yeah So I sleep through the daylight, stay awake all night Till you back again, yeah, yeah

You think I?m biased Too much I never get other You hit it right on the head Only been missing my lover

Got a whole lot of texts in my phone and I don?t reply But the next day bothers you, I

You?re all that matters to me Yeah yeah, ain?t worry about nobody else If it ain?t you, I ain?t myself You make me complete You?re all that matters to me

Yeah, yeah, what?s a king bed without a queen There ain?t no ?I? in team You make me complete You?re all that matters to me

Take the keys out the car it won?t drive
That?s how I feel when you?re not by my side
When I wake up in the morning up under you, and only you

Uh-oh, I?m grateful for your existence Faithful no matter the distance You?re the only girl I see From the bottom of my heart please believe

You?re all that matters to me Yeah yeah, ain?t worry about nobody else If it ain?t you, I ain?t myself You make me complete You?re all that matters to me

Yeah, yeah, what?s a king bed without a queen There ain?t no ?I? in team You make me complete You?re all that matters to me

Yeah, yeah, yeah, yeah You?re all that matters to me Yeah, yeah, yeah, yeah You?re all that matters to me
