

# Justin Bieber, Angels Speak (ft. Poo Bear)

Your voice is music to my ears  
I'm wide awake  
Stuck on the way your frequencies resonate  
You say that no matter what  
You're watching over me  
I knew when I first read your lips  
Only angels speak like this

You encourage everyone without trying  
All of your boundaries keep me in line  
God is within us,  
What you're always saying  
Your energy is enough to suffice
