

# Justin Bieber, As Long As You Love Me (ft. Big Sean)

(As long as you love me) /x3

We're under pressure  
Seven billion people in the world trying to fit in  
Keep it together  
Smile on your face even though your heart is frowning  
But, hey now, you know girl  
We both know it's a cruel world  
But, I will take my chances

As long as you love me  
We could be starving, we could be homeless, we could be broke  
As long as you love me  
I'll be your platinum, I'll be your silver, I'll be your gold  
(As long as you love me) /x2

I'll be your soldier  
Fighting every second of the day for your dreams, girl  
I'll be your Hova  
You can be my Destiny's Child on a scene, girl  
So don't stress, and don't cry  
We don't need no wings to fly  
Just take, my hand

As long as you love me  
We could be starving, we could be homeless, we could be broke  
As long as you love me  
I'll be your platinum, I'll be your silver, I'll be your gold  
(As long as you love me) /x2

[Big Sean:]

I don't know if this makes sense but, you're my hallelujah  
Give me a time and place, I'll rendezvous it  
I'll fly you to it, I'll beat you there  
Girl, you know I got you  
Us, trust, a couple things I can't spell without U  
Now we on top of the world, cause that's just how we do  
Use to tell me sky's the limit, now the sky's our point of view  
Man, we stepping out like woa (Oh God!), cameras point and shoot  
Ask me 'what's my best side?', I stand back and point at you  
You the one that I argue with, feel like I need a new girl to be bothered with  
But, the grass ain't always greener on the other side, it's green where you water it  
So I know, we got issues baby, true, true, true  
But I'd rather work on this you than to go ahead and start with someone new  
As long as you love me

As long as you love me  
We could be starving, we could be homeless, we could be broke  
As long as you love me  
I'll be your platinum, I'll be your silver, I'll be your gold  
(As long as you love me) /x2
