Justin Bieber, Change Me

Girl, I'm ready, if you're ready, now Ooh, is it ever gonna be? If you're with it, then I'm with it, now To accept all responsability I'd go out of my way To live by the words that you say I don't wanna be the same

Maybe you could change me Maybe you could change me

Maybe you could be the light That opens up my eyes Make all my wrongs right Change me, change me

Don't fight fire with fire If I'm screaming, talk quiter Understanding and patience Feel the pain that I'm facing Be like Serenity Help me position my mind Take a chance Make a difference in my life

Maybe you could change me Maybe you could change me

Maybe you could be the light That opens up my eyes Make all my wrongs right Change me, change me

Girl, I'm ready, if you're ready, now Ooh, is it ever gonna be? If you're with it, then I'm with it, now
