

Justin Bieber, Changes

some days I move like water
some days I burn like fire
some days I wanna push further
some days I wanna do nothing

and I just wanna be the best of me
even though sometimes
I forget to breathe
so that I can be the best for you
that's all I wanna do

I am going through changes
I am going through changes
though I am going through changes
don't mean that I've changed
yes, I am going through changes

some days I go to sleep early
sometimes I can't close my eyes
sometimes I smile like it's all good
even though there's pain underneath it

and I just wanna be the best of me
even though sometimes
I forget to breathe
so that I can be the best for you
that's all I wanna do

I am going through changes
I am going through changes
though I am going through changes
don't mean that I've changed
yes, I am going through changes
I am going through changes
though I am going through changes
don't mean that I've changed
