

# Justin Bieber, Come Home To Me (Cover)

Come Home to me  
Come Home to me  
Back into my arms  
Home where you belong  
Come Home to me  
Come home to me  
If home is where you are  
Home is way too far away

The TV light of blue and white  
I just can't fall asleep at night  
and I move to a space where you should be

Ever halfway seems so far  
Over mountains and diamond stars  
Everybody has their own way home

Come Home to me  
Come Home to me  
Back into my arms  
Home where you belong  
Come Home to me  
Come home to me  
If home is where you are  
Then Home is way too far away

All my life I've dreamed of love  
Never thought it would hurt this much  
To kiss goodbye and wait for your return  
So I'll be strong and hold on to  
The picture and the thought of you  
Getting all the love that you deserve.

Come Home to me  
Come Home to me  
Back into my arms  
Home where you belong  
Come Home to me  
Come home to me  
If home is where you are  
Then Home is way too far away

If home is where you are  
Then Home is way too far away.
