

# Justin Bieber, Deserve You

When i am in my thoughts sometimes  
It's hard to believe  
I am the person you think i am  
The person that you tell me you love

I am a 2000 to life  
999 and ... my ends  
But this one i am giving up

Night after night  
You fall asleep on me  
I am pryin' that i don't go back to who i was
