

# Justin Bieber, Friends (feat. BloodPop)

I was wonderin' 'bout ur mama  
did she get that job she wanted  
sold the car that gave her problems  
I'm just curious 'bout her, honest

Do you wonder why I've been callin'?  
Like I've got ulterior motives  
no we didn't end this so good  
But you know we had something so good

I'm wondering, can we still be friends?  
Can we still be friends?  
Doesn't have to end?  
And if it ends, can we be friends?  
Can we be friends?  
Can we be friends?

Wonderin' if you got a body  
To hold you tight since I left  
Wonderin' if you think about me  
Actually, don't answer that

Girl, you wonderin' why I've been callin'?  
Like I've got ulterior motives  
No, we didn't end this so good  
But you know we had something so good

So I'm wondering, can we still be friends?  
Can we still be friends?  
Doesn't have to end?  
And if it ends, can we be friends?  
Can we be friends?  
Can we be friends?  
And if it end, can we be friends?

Now you wonderin' why I've been callin'?  
Like I've got ulterior motives  
No, we didn't end this so good  
But you know we had something so good

I'm wondering, can we still be friends?  
Can we still be friends?  
Doesn't have to end  
And if it ends, can we be friends?
