

# Justin Bieber, Hold On

You know you can call me if you need someone  
I'll pick up the pieces if you come undone  
Painting stars up on your ceiling  
Cause you wish that you could find some feeling  
You know you can call me if you need someone

I need you to hold on  
Heaven is a place not so far away  
We all know I should be the one to say  
We all make mistakes  
Take my hand and hold on  
Tell me everything that you need to say  
Cause I know how it feels to be someone  
Feels to be someone who loses their way

You're looking for answers in a place unknown  
You need the connection but you can't get close  
Painting stars up on your ceiling  
Cause you wish that you could find some feelings, yeah you know  
You know you can call me  
If you need someone

(I don't want to die  
You're going to be okay)

I need you to hold on  
Heaven is a place not so far away  
We all know I should be the one to say  
We all make mistakes  
Take my hand and hold on  
Tell me everything that you need to say  
Cause I know how it feels to be someone  
Feels to be someone who loses their way

Midnight till morning  
Call if you need somebody  
I will be there for you  
Midnight till morning  
Call if you need somebody  
I will be there for you

I need you to hold on  
Heaven is a place not so far away  
We all know I should be the one to say  
We all make mistakes  
Take my hand and hold on  
Tell me everything that you need to say  
Cause I know how it feels to be someone  
Feels to be someone who loses their way

Midnight till morning  
Call if you need somebody  
I will be there for you (oh yeah, yeah)  
Midnight till morning  
Call if you need somebody  
I will be there for you
