

# Justin Bieber, How To Love

You had a lot of crooks try to steal your heart  
Never really had luck, couldn't ever figure out  
How to love  
How to love

You had a lot of moments that didn't last forever  
Now you're in a corner tryna put it together  
How to love  
How to love

For a second you were here  
Now you over there  
It's hard not to stare, the way you moving your body  
Like you never had a love  
Had a love

When you was just a youngin' your looks were so precious  
But now your grown up  
So fly it's like a blessing but you can't have a man look at you for five seconds  
Without you being insecure  
You never credit yourself, so when you got older  
It's seems like you came back ten times over  
Now you're sitting here in this damn corner  
Looking through all your thoughts and looking over your shoulders

See you had a lot of crooks try to steal your heart  
Never really had luck, couldn't ever figure out  
How to love  
How to love

You had a lot of moments that didn't last forever  
Now you're in a corner tryna put it together  
How to love  
How to love

For a second you were here  
Now you over there  
It's hard not to stare, the way you moving your body  
Like you never had a love  
Had a love

Uh..  
I just want to take my time  
I just want to do my thing  
Maybe we press rewind  
Maybe I buy that ring  
We could grow old together  
Just share our souls together  
Find how to love, kiss and hug  
How to roll together  
I-I just need you by my side  
M-Maybe we could be alright  
I just want to hold you right  
We can go into the night  
You're the one I need.

See you had a lot of crooks try to steal your heart  
Never really had luck, couldn't ever figure out  
How to love  
How to love

You had a lot of moments that didn't last forever  
Now you're in this corner tryna put it together  
How to love

How to love

For a second you were here  
Now you over there  
It's hard not to stare the way you moving your body  
Like you never had a love  
Had a love  
2x

You had a lot of dreams that transformed to visions  
The fact that you saw the world affected all your decisions  
But it wasn't your fault  
Wasn't in your intentions  
To be the one here talking to me  
Be the one listenin'  
But I admire your popping bottles and dippin'  
Just as much as you admire bartending and stripping  
Baby, so don't be mad  
Nobody else tripping  
You see a lot of crooks and the crooks still crook

See you had a lot of crooks try to steal your heart  
Never really had luck, couldn't ever figure out  
How to love  
How to love

You had a lot of moments that didn't last forever  
Now you're in this corner tryna put it together  
How to love  
How to love

For a second you were here  
Now you over there  
It's hard not to stare the way you moving your body  
Like you never had a love  
Had a love

I just want you to know,

Yeahh, Ooh yeahh
