

# Justin Bieber, Maria

She says she met me on a tour  
She keeps knocking on my door, she won't leave me  
Leave me alone  
This girl she wouldn't stop, almost had to call the cops  
She was scheming, ooh, she was wrong

Cause she wanted all my attention  
And she was dragging my name through the dirt  
She was dying for my affection  
But she keep making up and give it to 'em  
I'm talking to you, maria  
Why you wanna do me like that?  
That ain't my baby, that ain't my girl  
Maria, why you wanna play me like that?  
She ain't my baby, she ain't my girl  
But she talking in, and she need a squeeze  
But never this, all I know she got mine  
That ain't my baby, that ain't my girl  
But she falling out, what she talking about  
Let me tell you now that girl she's not mine  
She ain't my baby, she ain't my girl

Now she's in the magazines, on tv, making a scene  
Oh she's crazy, crazy in love  
And she's all over the news, saying everything but the true  
She's faking, faking it all

Cause she wanted all my attention  
And she was getting my name through the dirt  
She was dying for my affection  
But she keep making up and give it to 'em  
I'm talking to you, maria  
Why you wanna do me like that?  
That ain't my baby, that ain't my girl  
Maria, why you wanna play me like that?  
She ain't my baby, she ain't my girl  
But she talking in, and she need a squeeze  
But never this, all I know she got mine  
That ain't my baby, that ain't my girl  
But she falling out, what she talking about  
Let me tell you now that girl she's not mine  
She ain't my baby, she ain't my girl

Why are you trying, trying to lie girl  
When I never met you  
Saying goodbye, but how could ya  
You throw this, you throw this  
Your foolness, seduces

Maria why you wanna do me like that?  
That ain't my baby, that ain't my girl  
Maria, why you wanna play me like that?  
She ain't my baby, she ain't my girl

But she talking in, and she need a squeeze  
But never this, all I know she got mine  
That ain't my baby, that ain't my girl  
But she falling out, what she talking about  
Let me tell you now that girl she's not mine  
She ain't my baby, she ain't my girl

That ain't my baby, that ain't my girl  
She ain't my baby, she ain't my girl  
She ain't my baby, she ain't my girl

She ain't my baby, she's not my girl
