## Justin Bieber, Maria

She says she met me on a tour She keeps knocking on my door, she won't leave me Leave me alone This girl she wouldn't stop, almost had to call the cops She was scheming, ooh, she was wrong

Cause she wanted all my attention
And she was dragging my name through the dirt
She was dying for my affection
But she keep making up and give it to 'em
I'm talking to you, maria
Why you wanna do me like that?
That ain't my baby, that ain't my girl
Maria, why you wanna play me like that?
She ain't my baby, she ain't my girl
But she talking in, and she need a squeeze
But never this, all I know she got mine
That ain't my baby, that ain't my girl
But she falling out, what she talking about
Let me tell you now that girl she's not mine
She ain't my baby, she ain't my girl

Now she's in the magazines, on tv, making a scene Oh she's crazy, crazy in love And she's all over the news, saying everything but the true She's faking, faking it all

Cause she wanted all my attention
And she was getting my name through the dirt
She was dying for my affection
But she keep making up and give it to 'em
I'm talking to you, maria
Why you wanna do me like that?
That ain't my baby, that ain't my girl
Maria, why you wanna play me like that?
She ain't my baby, she ain't my girl
But she talking in, and she need a squeeze
But never this, all I know she got mine
That ain't my baby, that ain't my girl
But she falling out, what she talking about
Let me tell you now that girl she's not mine
She ain't my baby, she ain't my girl

Why are you trying, trying to lie girl When I never met you Saying goodbye, but how could ya You throw this, you throw this Your foolness, seduces

Maria why you wanna do me like that? That ain't my baby, that ain't my girl Maria, why you wanna play me like that? She ain't my baby, she ain't my girl

But she talking in, and she need a squeeze But never this, all I know she got mine That ain't my baby, that ain't my girl But she falling out, what she talking about Let me tell you now that girl she's not mine She ain't my baby, she ain't my girl

That ain't my baby, that ain't my girl She ain't my baby, she ain't my girl She ain't my baby, she ain't my girl She ain't my baby, she's not my girl
