

# Justin Bieber, No Sense (featuring Travis Scott)

It don't make no sense 'less I'm doing it with you  
It don't make no sense 'less I'm doing it with you

The sun don't set the same  
Less you're watching it go down with me  
The bed won't sleep the same  
Less you're waking up in here with me  
Oh, my heart's a vacant house  
When you're gone away, it's so empty  
And love don't make no sense when it's empty (Oh no)

I've driven almost every car  
It ain't the same when I'm without you  
Been around a million stars  
None of them shine brighter than you  
The sky be so dark now without you  
Yeah, ooh, baby

It don't make no sense  
Less I'm doing it with you  
It don't make no sense  
Less I'm doing it with you  
Oh been around the world  
Ain't the same without you  
It don't make no sense  
Less I'm doing it with you

Focus ain't the same  
If the picture ain't got you in it  
In every line my  
Emotions ain't the same  
If it ain't about you, I don't get it  
Ever since the beginning now  
You had that effect on me  
All I wanna do is you, oh  
I mean that so literally  
Don't nobody go harder than you  
All of the angels must be lonely now, without you, woah

It don't make sense, no  
It don't make no sense  
Less I'm doing it with you  
Less I'm doing it with you baby  
It don't make no sense  
Less I'm doing it with you  
I only want to hear your voice, yeah  
Oh, been around the world  
Ain't the same without you  
Had to find out the hard way  
It don't make sense, no  
It don't make no sense  
Less I'm doing it with you  
Going way up, way up  
It don't make no sense  
Less I'm doing it with you  
Way up, way up, way up  
Yeah, slow down stay up, stay up, stay up  
It don't make no sense  
Less I'm doing it with you

Time and time again I break a plan  
Without you, girl I ain't the man  
Could never be all I can be  
You overstand, I'm incomplete

Apparently, gotta know I hate that  
How I'm supposed to take that?  
Boo'd up, missing all of that  
Gotta be laying in that  
Rolled up, put a flame to that  
Thought by now you would have made it back  
Be patient  
Won't you pull up to me now?  
Live forever young  
It's amazing  
I don't want to sleep 'less you at home

It don't make sense, no  
It don't make no sense  
Less I'm doing it with you  
No, It don't make sense  
It don't make no sense  
Less I'm doing it with you  
No, it don't make sense  
It don't make sense  
It don't make no sense  
Less I'm doing it with you
