

Justin Bieber, Perfect Together

I'm not perfect sometimes
No you're not perfect sometimes
But even when it's wrong it feels right
'cause we're perfect together
Perfect together, perfect together
Perfect together, perfect together
Perfect together, perfect together

It's amazing
So amazing
That we are still here, yeah
'cause we're changing
Re-arranging
But I still see you clear
How can I love you more than me?
Tell me the way you and I can fix it

I'm not perfect sometimes
No you're not perfect sometimes
But even when it's wrong it feels right
'cause we're perfect together
Perfect together, perfect together
Perfect together, perfect together
Perfect together, perfect together

No more lonely nights
No more city lights
And we're not feeling in the worse baby
You know how to hit me baby
Light shines through the house now
Darkest days in the past nights
You don't know what you do to me

How can I love you more than me?
Tell me the way you and I can fix it

I'm not perfect sometimes
No you're not perfect sometimes
But even when it's wrong it feels right
'cause we're perfect together
Perfect together, perfect together
Perfect together, perfect together
Perfect together, perfect together
