

# Justin Bieber, Thought Of You

Girl i've been fooled by your smile  
I was mistaken by the way you love me  
We let it straight for a while, yeah  
But you deceived me, you convinced me yeah  
So clear to me now, can't explain what you're doing to me  
I did but I don't know how  
It's gon' take some time  
But i'll figure it out

Why should we fight the feeling  
Let's just live in the moment  
Though it's infatuation  
I'm good with that

Cause i'm in love with the thought of you  
With thought of you, with thought of you  
I'm in love with the thought of you  
All the things you do, with thought of you  
Girl, i'm in love with the thought of you, you, you  
Girl, i'm in love with the thought of you, you, you  
Love with the thought of you

I felt victim to your style  
It's so amazing, girl you're in your only  
Riding be stuck in the night, yeah  
Then tryna be without you girl  
So clear to me now, can't explain what you're doing to me  
I did but I don't know how  
It's gon' take some time  
But i'll figure it out

Why should we fight the feeling  
Let's just live in the moment  
Though it's infatuation  
I'm good with that

Cause i'm in love with the thought of you  
With thought of you, with thought of you  
I'm in love with the thought of you  
All the things you do, with thought of you  
Girl, i'm in love with the thought of you, you, you  
Girl, i'm in love with the thought of you, you, you  
Girl, i'm in love with the thought of you

So clear to me now, can't explain what you're doing to me  
I did but I don't know how  
It's gon' take some time  
But i'll figure it out

Why should we fight the feeling  
Let's just live in the moment  
Though it's infatuation
